ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI and Hit & Run Collision	INCIDENT NUMBER 14-02305
NAME OF VICTIM(S) Snohomish County PUD		

Narrative:

On 09/18/14 at about 2334 hours, Lake Stevens Police Officers were dispatched to 1413 S Davies RD, in the City of Lake Stevens for a priority collision call. SNOPAC advised that a vehicle had collided into a pole and there were unknown injuries. While enroute SNOPAC advised that the vehicle had driven off. SNOPAC then advised that there was a correction and the vehicle was still there and the reporting party stated that the male subject might be dead on arrival.

When I was arriving from the north side of the scene, SNOPAC advised that the male was ejected from the vehicle and neighbors were looking for him. When I arrived onscene, in the 1400 block of S Davies RD, I observed that there was debris scattered all over the road. I observed that on the south side of S Davies RD there was a utility pole with what appeared to be metal wrapped around it. South of this pole was another utility pole. I observed a gray GMC truck up against this pole. The vehicle appeared heavy damaged.

When I got out of my patrol vehicle, I observed an estimated 10 citizens in the road. There were people running down to me screaming that the male was running away and some people were screaming that the driver was ejected. I advised over my police radio that the male driver had possibly ran from the scene. Officer Hingtgen advised that he had a male running. Officer Hingtgen advised that he was out with the driver in the 11600 BLK of Machias Cut Off.

While observing the scene, I observed that power lines were broken and hanging from the other wires. It appeared the three utility poles were damaged and or affected from the collision. The sole vehicle involved in the collision had an attached Washington State vehicle license plate of C27358B. The registered owner of this vehicle was Andrew D. Carter (DOB 11/01/85) and he was also the male identified with Officer Hingtgen. The vehicles passenger side door was off and the entire metal on the passenger side appeared to have be ripped off.

We were unable to locate any other victims in this collision. Snohomish County PUD was called to the scene.

While talking to a witness who was identified as Jesse T. Ballou he stated that he saw the same vehicle doing burnouts in the Safeway parking lot which is located at 719 SR 9 NE. Jesse said that he followed the vehicle from the parking lot. Jesse said that he observed the vehicle doing burnouts and accelerating around every corner. Jesse said that while driving he observed the vehicle pass a white Cadillac and out of view. Jesse said that he then observed the vehicle after it had crashed into the pole and the male driver running away. I received a written statement from Jesse.

It should be noted that the posted speed limit on S Davies RD is 30MPH. S Davies RD is a two lane road that is lined with residential homes, ditches and utility poles.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

FOLLOW-UP REPORT

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION Hit & Run Collision (Property Damage)/DUI	INCIDENT NUMBER 14-02305
NAME OF VICTIM(S) Public Utility District		

On 9/18/14 at approximately 2334 hrs., Ofc. Planalp and I were dispatched to a priority collision in the area of 1413 S. Davies Rd. The reporting party Hazen, Ken stated that there was a vehicle into a pole and was unsure of injuries. I was responding to the collision from the 2800 blk of N. Machias Rd. At approximately 2335 hrs., we were updated by dispatch that the driver may be deceased due to the driver being ejected. Ofc. Planalp and assisting Ofc. Rutherford arrived onscene at approximately 2337 hrs.

I arrived in the area of the 11500 blk of Machias Cutoff at approximately 2340 hrs. I noticed a male wearing a black jacket and blue jeans, running at a full sprint, eastbound on Machias Cutoff. The attire was not consistent with jogging apparel. I contacted Ofc. Planalp, via radio, to determine whether the driver of the vehicle was still onscene. Ofc. Planalp stated that he was unsure at that time.

I decided to turn around and contact the male. I stopped him in approximately the 11600 blk of Machias Cutoff. I got out of my patrol vehicle and requested the male come back and sit on my push bar. The male did so without issue. I asked him why he was running. The male stated, words to the effect of, "I did something bad. I was drinking and driving." I asked him how his vehicle hit the pole. The male said, "I wasn't driving a car." I asked him what vehicle he was driving to be drinking and driving. The male said, "My GMC truck." The male then pointed back towards the area of the collision. I asked for his license. The male was identified with a current Washington State Driver's License as, Carter, Andrew D (11/1/85). I asked Andrew how much he had to drink. Andrew stated that he had 4 beers at Razzals earlier. Andrew stated that he was watching the Mariners game there. I asked him if he felt his ability to operate a motor vehicle was impaired. Andrew said words to the effect of, "Most definitely." Andrew stated again that he was drinking and driving. I tried to ask Andrew further about the collision. Andrew began to deny that he was involved in a collision. I asked Andrew where he left his truck then. Andrew said that he left it down the road and was just running home. I noticed several small lacerations to Andrew's forearms. I asked Andrew, "If you weren't in a collision, how did your arms get cut?" Andrew looked down at his arms and slumped further down. Andrew said that he idiot and shouldn't of been driving. I asked Andrew if he was the only one in his truck. Andrew confirmed that he was driving alone. Andrew said that he was just trying to get home when he was running.

While talking with Andrew, I could smell the strong odor of intoxicants emitting from his breath and/or person. Andrew's eyes were very red and watery. I asked Andrew to stand for me momentarily so that I could pat him down for any kind of weapons. While conducting the pat down, Andrew lost his balance and I had to hold on to him to prevent him from falling. Andrew was swaying the entire time he was standing on his own. While talking with Andrew it was evident that he was slurring his speech and was having difficulty with completing thoughts and sentences.

FD 8 arrived onscene to assist Andrew with any potential injuries. While Andrew was being evaluated by aid he again admitted to being in the collision. Aid personnel asked Andrew if he had any injuries. Andrew informed him that he was fine. As Aid personnel continued to evaluate him, they informed me that they had a growing concern about a potential head injury. They stated that this was due to him being

unable to communicate with them normally. FD 8 stated that they were going to have to transport Andrew to Providence Medical Center to be evaluated by medical personnel.

FD 8 began getting Andrew back boarded for transport. While they were prepping him for transport, a witness, Ballou, Jesse, drove by the contact location. Jesse stated that he witnessed the driver flee the scene. Jesse then confirmed that Andrew was the driver that had fled the crash scene.

I followed FD 8 to Providence Medical Center. FD 8 personnel escorted Andrew into the hospital and into his emergency room. When Andrew was escorted into his room, I immediately informed Andrew that he was under arrest for DUI. Andrew stated that he understood. I remained in constant visual observation of Andrew while inside the hospital. While observing Andrew, I completed a search warrant application for blood evidence. At no point did Andrew have any access to alcohol or other intoxicants.

At approximately 0232 hrs., I received a signed search warrant from Commissioner Howard. Commissioner Howard affixed #AEH1694 to the warrant. The warrant was specific to obtaining blood evidence for a DUI investigation.

Prior to the Blood Technician's arrival I read Andrew his Miranda Rights, verbatim, from the DUI investigation packet. Andrew stated that he understood and provided his signature indicating so. I then read Andrew the Special Evidence Warning.

At approximately 0303 hrs, Blood Technician Colby Leed completed the warrant by extracting two vials of blood from Andrew. I observed the extraction and confirmed that the vials went back into the evidence storage container. While Andrew was getting his blood drawn by Blood Technician Leed, Andrew said, "I'm guessing it's a .14." Andrew then stated that he wanted to bet on the number. I informed him that I would not bet with him about it. Andrew then stated that was his guess. Blood Technician Leed completed documentation regarding the completion of the search warrant.

Andrew was required to complete additional medical testing prior to him being released from the hospital. There was also no indication to prior DUI's on his DOL record. I then informed Andrew that he was released from my custody and he was solely under the hospitals care.

The blood evidence was booked into the property room and a request for a toxicology examination was completed.

Upon return of the blood evidence report, criminal charges for Hit & Run and possible DUI will be forwarded to Marysville Municipal Court.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

I, Officer M. Hingtgen, declare under the penalty of perjury under the laws of the State of Washington, that the following is true and correct:

I am a duly appointed, qualified, and acting law enforcement officer for the:

- ☐ Washington State Patrol
- ☐ _____ County Sheriff's Department.
- ☒ Lake Stevens Police Department.

I have served as a law enforcement officer for 6 years. My training and experience regarding investigations of the above crime(s) includes the following:

- ☒ Basic Law Enforcement Academy at the Washington Criminal Justice Training Commission
- ☐ Washington State Patrol Basic Academy
- ☒ Standardized Field Sobriety Testing and/or SFST Refresher Training
- ☐ Drug Recognition Expert School
- ☐ Collision Reconstruction Training
- ☐ Advanced Roadside Impaired Driving Enforcement Training

Additional training and experience:

I have been involved in approximately 200 DUI involved incidents and arrests.

MS

I am charged with responsibility for the investigation of criminal activity occurring within Lake Stevens, and have probable cause to believe, and do, in fact, believe, that evidence of the crime(s) of Driving Under the Influence is concealed in, about or upon the person of ANDREW D. CARTER, who is currently with the County of Snohomish, my belief being based upon information acquired through personal interviews with witnesses and other law enforcement officers, review of reports and personal observations, said information being as further described herein -

The facts supporting this search warrant request are as follows:

On 9/18/14 at approximately 2334 hrs., Lake Stevens Officers were dispatched to a priority collision in the area of S. Lake Stevens Rd and S. Davies Rd. A GMC pickup, WA LIC #C27358B, had struck a PUD power pole. The collision caused power outage throughout the area. The vehicle was registered to Andrew Carter. The vehicle was found to be registered to Carter, AWhen Officer's arrived onscene, witness immediately informed Officers that the driver was no longer onscene.

I arrived in the area at approximately 2340 hrs. I immediately noticed a male, running eastbound in the 11500 blk of Machias Cutoff. I noticed that the male was in jeans and a jacket that was not consistent with jogging attire. I confirmed with the onscene officers that the driver was not onscene. Ofc. Planalp, at the crash scene, confirmed that the driver was still outstanding. I turned my vehicle around and contacted the running male.

The male was later identified with a current Washington State Drivers License as Clark, Andrew D (11/1/85). I asked Andrew immediately what he was doing. Andrew replied, "I was drinking and driving." I asked him how the accident happened. Andrew stated, "I wasn't driving a car." I asked him where the car was that he was drinking and driving in. He said that it was his GMC Truck down the road. Andrew stated that he had 4 beers at Razzels a bit earlier. I asked Andrew if he felt the alcohol had a effect on the collision. Andrew then stated that it did. Andrew then stated that he was the single driver in the truck and was just trying to run home.

I could smell the strong odor of intoxicants emitting from his breath and/or person. Andrew was also having difficulty standing. He was swaying back and forth while standing on a flat roadway. While I was talking with Andrew, he was unable to provide me with consistent subjects. He was bouncing from one thing to another.

FD 8 arrived to assist with treating Andrew with his injuries. FD 8 determined that he would need to be transported due to the fact that he was unable to make any sense with his communications with him.

Andrew was transported by aid to Providence Medical Center. Due to Andrew's statements, behavior, and exhibiting the effects of alcohol, I believe that Andrew is under the influence of

A sample of ANDREW D. CARTER's blood, if extracted within a reasonable period of time after he/she last operated, or was in physical control of, a motor vehicle, may be tested to determine his/her current blood alcohol level and to detect the presence of any drugs.

I request authority to cause a sample of blood, consisting of one of more tubes, to be extracted from the person of Andrew D. Carter by a person qualified to withdraw blood.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct to the best of my knowledge, information and belief.

Signed this 19th day of September, 2014, at
Everett, Washington.
